

MINUTES OF GEOGRAPHY DIVISION STAFF MEETING, 9 December 1959

PRESENT:

1. Standard Dissemination of D/CG's Production

25X1A9a Copies of the standard dissemination lists for the G, GM, and MR categories were distributed and reviewed, following the question raised by [REDACTED] at the previous staff meeting. The consensus of the group was that these lists need revision, that we would ask someone from St/P/C and OCR to talk with us at a staff meeting sometime after the first of the year.

2. Christmas Party
